Dear Parents,

Arrangements for Pupil Visits to School Monday 13th to Friday 17th July

Many thanks for your prompt responses to our last week of term plans for all pupils.

We are delighted that so many wish to join us and cannot wait to see your children. I would like to reassure all parents that OLST has risk assessed these plans, and social distancing measures will be fully in place.

Children are required to dress in their own clothes with a warm cardigan/jumper and coat, as we intend to be outside unless there is heavy rain.

In the strange event of sunshine – you should also apply sun cream and wear a hat. They may bring their own water bottle and a small bottle of hand sanitizer should you so wish. We have hand sanitizer stations prepared for the visits.

Drop off

You were sent a text allocating either a morning or afternoon session for your child. One Adult only should bring your child through the main gates, and follow the clearly marked one-way system and social distancing markers. There are yellow lines like you would see in supermarkets to ensure social distancing from other families. Up to 15 children will be coming in at the same time, therefore we would ask you to vacate the site as soon as you have dropped off your child to avoid a bottle neck. Staff will be there to meet and greet and ensure this all runs smoothly.

Pick up

Your child's class teacher will be at the school field gate to hand your child back to you. Once again, you should follow the above procedures for entering and leaving the school site.

Reports

Your child be given their own School Report in a sealed envelope to bring home. If anyone wishes to discuss these reports, please contact the office either by phone or email office@olstlearning.net

Reading Books

If you have any school readings books at home, please bring them when your child comes for their visit. Drop boxes will be under the parent shelter to allow you to do this as you enter the site.

Thank you for your continued support.

Yours sincerely,

Mrs Ruth Veitch.
